Goethe has said that everywhere the human soul stands between a hemisphere of light and another of darkness . . . Today, much of our world is in a hemisphere of darkness. A large per cent of the world's population is still illiterate in spite of the fact that education has advanced in many countries. As a result of this lack of knowledge, there are not enough capable leaders in many countries. Furthermore, people lack an inner beauty which comes from transforming love. If this were not true, our universe would not be divided as it is between good and evil. Nations need the spirit of Christ and a strong faith in God to give them this love. Modern Christian educators are trying to enlighten students so that with an abiding light they may overcome these areas of darkness. At Carey, our administrators and professors are striving to reflect a light which we may in turn reflect to families, communities, and nations. This light may be diffused into several beams: the light of knowledge, the light of leadership, the light of beauty, the light of spirit, and the light of faith. It is our hope that this 1963 CRUSADER will ever remind you of the light of our Christian education at William Carey College.

*Lifting high the light of knowledge
Answering the clarion call*

*Thou hast made thy sons and
daughters staunch crusaders all*

*Thou hast taught us love and honor...
... Taught us truth and right*

*While fitting every new crusader
with thine armor bright*

HAPPY NEW YEAR

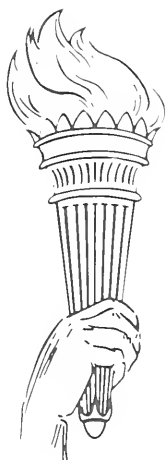

*May thy God, who made thee worthy,
keep thee ever truly free*

*May his spirit Alma Mater,
ever dwell with thee*

DEDICATION The theme of this year's CRUSADER is "light." It is with pride that we honor two who have helped spread the light of Christian witnessing in the home, to the college, to the community, and to the foreign mission fields.

Their lives have reflected the inner glow that comes from being dedicated Christians. Each in his area of service has brought students and faculty to a closer walk with God. Together they have held high the standards of true Christian education, and their gracious personalities have contributed much to the social life of the campus.

We think all young men and women should seek to live and think and be like Christ. We think that those we honor this year have helped challenge us to live "the best life."

It is to you, Dr. and Mrs. Judson Chastain, that we dedicate the 1962-63 CRUSADER.

PRESIDENT'S MESSAGE

Our school bears the name of a short, slightly stooped, not so handsome, intellectual, God-loving William Carey (1761-1834) of Pauler's Pury, England.

The life pattern of Carey should be the inspiration for all those who study at the school which bears his name.

What were his ideals?

Carey was a man of strong will, characterized by steadfastness, perseverance and plodding. He was not afraid of work.

He was interested from childhood in the pursuit of knowledge. His thirst for knowledge was coupled with his strong sense of his own deficiencies. Carey was fond of reading. Low type novels and plays disgusted him. Books of science and travel were dear to his soul.

Carey was a student of world affairs. He made a

President, J. Ralph Noonkester

map of his world, and as he mused over world conditions, his map became his prayer chart.

William Carey was not only a student of the word of God but also of the works of God. With the instinct of a scientist, Carey spent much of his time in the hedgerows and meadows observing the wonders of God's world.

Carey was a devout Christian. However, there was nothing sectarian or bigoted in his make-up.

It is evident, therefore, that the ideals of the namesake of our school are lofty ones. As Carey's biographer, Basil Miller, said, "His career points to the fact that God in the life of a man can achieve the impossible."

BAPTIST STUDENT UNION ACTIVITIES

An annual event is the prayermate service by candlelight

Committee meeting?

All year the Baptist Student Union is busy with activities both on and off campus. Not only does the BSU sponsor devotional periods, singspirations, and Bible Studies for the students, but it promotes several extension projects. Each Saturday morning the group has a street service in Hattiesburg, and each Saturday afternoon they visit three convalescent homes to present brief devotional programs. On Monday afternoons the ministerial students sponsor jail services. These services and programs keep committee members quite active throughout the school term and promote Christian education in a very positive, personal way.

Carey students board the bus for the convalescent visitation

THE LIGHT

Man, being essentially active, must find in activity his joy, as well as his beauty and glory; and labor, like every thing else that is good, is its own reward.

The '62-'63 Crusaders broke with an even record for the season, having eleven wins and eleven losses.

The light of spirit at Carey shone brightly on several occasions. For example, the Carey quintet made a good showing in the Holiday Classic at Howard College early in the season as they captured second place in the tournament. The Carey team defeated arch rival Mississippi College and Athens College before falling to host team Howard of Birmingham.

However, Homecoming was the highlight of the season. A capacity crowd was thrilled over the 77-63 revenge-victory over visiting Howard.

According to statistics, the Crusaders led their opponents in every department. Their field goal percentage was a solid .469 as compared to .417 for their foes. Carey racked up a .757 per cent in free throws as compared to .697 for other teams. The locals also scored two more points and grabbed two more rebounds per game than the opposition. They amassed 1500 points during the season which the rivals could not match.

We salute the Crusaders for their sportsmanship, their ability, and their contagious spirit of continuous effort to win.

CAROLYN STEWART

School spirit is best illustrated in the attitudes and efforts of those students who are selected as cheerleaders. Their enthusiasm and their leadership during sports events serves to supply the necessary ingredient that makes every event a memorable one.

The cheerleaders for 1962-1963 have done a wonderful service to the Carey Community.

SARAH LARSON

THE LIGHT

And I said to the man who stood at the gate of the year: "Give me a light that I may tread safely into the unknown." And he replied: "Go out into the darkness and put your hand into the hand of God. That shall be to you better than light and safer than a known way." So I went forth, and finding the hand of God, trod gladly into the night. And He led me towards the hills and the breaking of day in the lone East.

MINNIE LOUISE HASKINS

OF FAITH

Upon graduating, the class of 1963 will step out into the world with the light of faith as a guide. This light of faith has grown steadily during the past four years at Carey. The path of light which they are following has grown brighter each year through increased knowledge, developed leadership ability, and beauty of spirit.

It is our hope that the light they carry will shine faithfully for future graduates.

From Left to Right: Andrew Schottgen, SGA Representative; Marion Ingram, Secretary and Treasurer; Eugene Cabaniss, Vice-President; Price Harris, President.
